More Ways To Communicate 6

Independent Choices

Choose geometry with a flavor, colors with a palette, and your own logos.

A Visual Language

Independent layouts and twelve palettes.

Your Institution

Wrap the core with your own flavor and branding.

An Evolving Result

Observation

A useful source [Knuth1984].

[Knuth1984] Knuth, D. E. (1984). *The TeXbook*. Addison-Wesley.

An Evolving Result

Observation

A useful source [Knuth1984].

Qualification

Explain the limitation.

[Knuth1984] Knuth, D. E. (1984). *The TeXbook*. Addison-Wesley.

Aether Topology Laboratory

A Deliberate Transition

Change Pace

One idea worth remembering.

Kyklo Laboratory

Fictional laboratory · generated illustration

Bibliography

[Knuth1984] D. E. Knuth. 1984. The TeXbook. Addison-Wesley.

Questions?

- Choose a layout, a palette, and your own branding.
- Keep the same authoring tools as your presentation changes.

sam@example.org

Supporting Evidence

Appendix content keeps its own heading and slide-count behavior.
